Second Location in Cornwall and the Launch of an
E-Signature Solution**

January 14th, 2015

(Cornwall, ON) Your Credit Union has announced the opening of a second location in Cornwall and the launch of an e-signature solution.

To be located in the Cornwall Community Hospital, the new branch will primarily serve members who work at the Hospital. Supported by two ATM's already on site, this branch will offer traditional deposit and loan products. "We've had a long and successful partnership with the Hospital and are very pleased with the opportunity to serve our members on site" said Douglas MacMillan, Director, Retail Services at Your Credit Union.

The e-signature solution from Silanis will allow Your Credit Union to serve its members no matter where they are. "Our first e-signature file was with new members who spend the winter months in Florida but wanted to invest in a TFSA. They were thrilled with its convenience and simplicity" said Joel Lalonde, President & CEO at Your Credit Union.

The announcements were made at Your Credit Union's Annual General Meeting held in Cornwall.
